(Extension for Community Healthcare Outcomes)

RURAL VETERANS BEHAVIORAL HEALTH

ECHO LAUNCHES WEBINAR SERIES

University of Missouri's Show-Me ECHO program launched a rural veterans behavioral health webinar series April 19. The series will address topics that are pertinent to understanding and treating behavioral health problems among Missouri's veterans, including military culture, common mental health problems and resources available to veterans. The webinars will be offered Thursdays from noon to 1 p.m.

TOPIC: "RESOURCES FOR VETERANS"

Noon to 1 p.m. Thursday, June 7, 2018

By Jon Sabala

Veterans Services Director

Missouri Department of Mental Health
