Resetting Your Password for Box

These are the steps to follow to reset your password.

After your initial setup, you can log into your Box Account using:

https://box.com

https://missouri.app.box.com, if you are a University of Missouri employee.

Next time you log into Box, you will get the following screen.

And follow the following steps:

Please follow the steps in the order shown below (some steps may need to be repeated).

>> Not a part of University of Missouri >> Enter your email address >> Next >> Reset Password >> enter your Email Address (2nd time) >> Reset Password (2nd time)

And after going through the password reset options, you should get a message that says:
