

# SHOW-ME ECHO

EXTENSION FOR COMMUNITY HEALTHCARE OUTCOMES

## SUICIDE PREVENTION IN HEALTH CARE ECHO

### HELPING HEALTH CARE PROFESSIONALS IMPROVE CARE FOR PEOPLE AT RISK FOR SUICIDE

ECHO uses videoconferencing to connect interdisciplinary teams of specialists and subject matter experts. Suicide Prevention in Health Care ECHO educates and empowers healthcare professionals to competently and confidently treat individuals at risk for suicide. A multidisciplinary team of mental health experts will share information about best practices, plans and procedures. Clinicians and emergency medicine professionals, school officials, law enforcement personnel and other professionals who interact with the mental health community are encouraged to participate. This ECHO's interactive online learning sessions will occur from **noon to 1 p.m. every 1st and 3rd Friday of the month.**

#### PARTICIPANTS WILL BE ABLE TO:

- Promote evidence-based tools for identifying and evaluating those at risk for suicide.
- Teach best practices for treatment and application of care plans.
- Create a community of practice for sharing resources and overcoming barriers to treatment.

### MEET OUR HUB TEAM

#### **Bart Andrews, PhD**

Lead Facilitator, Chief Clinical Officer  
Behavioral Health Response
