EXTENSION FOR COMMUNITY HEALTHCARE OUTCOMES

HEAD START ECHO

HEAD START WORK IS HEART WORK

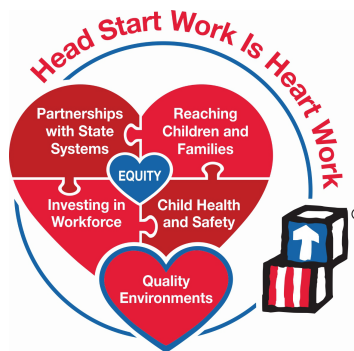

INCREASING LOCAL CAPACITY FOR THE HEAD START MODEL OF SERVICES

By actively engaging parents and recognizing the power of family participation, the Head Start ECHO is here to help produce strong child outcomes across the state. Participants join an interdisciplinary team of experts to share and discuss challenging situations and teachable moments.

The Office of Head Start's mission is for eligible children and families to receive high-quality services in safe and healthy settings to prepare children for school and life. To support this mission and unwavering commitment to equity, this ECHO utilizes the Office of Head Start's five national priority areas:

- Child Health and Safety
- Partnerships with State Systems
- Reaching Children and Families
- Investing in the Workforce
- Quality Environments
