EXTENSION FOR COMMUNITY HEALTHCARE OUTCOMES

CERTIFIED PEER SPECIALIST ECHO

SUPPORTING PEER SPECIALISTS WORKING IN BEHAVIORAL HEALTH TO ENHANCE ABILITY TO ASSIST IN RECOVERY PROCESS

ECHO uses videoconferencing to connect interdisciplinary teams of specialists and experts. Together with the team, participants develop advanced skills and best practices through collaboration and case-based learning in an “all teach, all learn” environment.

- **TOGETHER WITH A TEAM OF EXPERTS, PARTICIPANTS WILL BE ABLE TO:**
- Share knowledge of certified peer specialist practices with others in their community.
- Use specific and practical tools to improve peer support.
- Understand core competencies and ethical standards associated with certification.
- Create a safe space and trusting relationship for peers to navigate the recovery process.
- Advocate for a peer to the rest of the team.
